The Winterfest was last weekend, great crowd, I saw about 12 SCARC members present! Next year we should ask for a group discount!

Bob, K9EID, shows off his Pine Board Transmitter at last year's Winterfest. Bob *might* bring his transmitter to the club meeting Thursday.

**Meeting Date, Time and Location:** This month's meeting will be on January 31<sup>st</sup> at the Belleville Fire House #4. The meeting starts at 8:00PM. Many start to gather at 7:30PM. There will not be testing this month.

**New Members:** New applications should be submitted to the Sgt. at Arms. Applications will be vetted by the Sgt. at Arms and will be brought forward for a vote at the next monthly meeting after being submitted. We look forward to meeting/greeting any new member because to grow our club, we must find people that love to talk (should not be too hard) and that would love to be on the radio. So putting the two together can make a dedicated enthusiast for HAM Radio. We welcome all new members and prospective members and thank them for their interest in Ham Radio.

Thank You to Harry Church, W0KXP, for his very generous donation to the K9GXU repeater fund.

### Upcoming Hamfests:

Lewis & Clark Radio Club March 23<sup>rd</sup> 7:00-12:00 **New location on campus:** "The Commons"

Here are some short thoughts:

Bob Heil, K9EID, will give a presentation on his Parametric Receive Audio System at the club meeting Thursday. Plan to attend!

Don't forget to check in to Larry's, K9LWW, "Good Morning" drive time (7 – 8 am) net on our 2 meter repeater. Stop in and say HI!

Larry is also working on a class for those wanting to test for their Extra class license. Let him know if you're interested.

Dan, KD9ADB, is looking for nominations for the club election. Let him know if you want to want to run for office or nominate someone.

Hope to see you at the meeting or on the air.

Remember to send anything you might have for SCAN to [kc9mz@arrl.net](mailto:kc9mz@arrl.net)

73 es gud dx,

Randy, KC9MZ
