VE Testing September 21st

Our next test session will be September 21st. If you would like to test, or know of someone who would like to test, please email Randy KC9MZ at rbkc9mz---gmail.com. I'll get a VE team together and make sure we have space at the Moose. Thanks to our VEs, Garry N8GIL, Larry K9LWW, Julio AA2KF, Garry K9RWE, and Randy KC9MZ!

Meeting Date, Time and Location: Next month's meeting will be on September 26th at 8 PM. It will be at the Swansea Moose Lodge. The meeting will be to the left of the bar area.

New Members: New applications should be submitted to the Sgt. at Arms. Applications will be vetted by the Sgt. at Arms and will be brought forward for a vote at the next monthly meeting after being submitted. We look forward to meeting/greeting any new member because to grow our club, we must find people that love to talk (should not be too hard) and that would love to be on the radio. So putting the two together can make a dedicated enthusiast for HAM Radio. We welcome all new and prospective members and thank them for their interest in Ham Radio.

Here are some shorts
