No Testing in August

Thank you to our VEs: Rebecca KC9CIJ, Garry N8GIL, and Larry K9LWW.

Our next Test Session is September 20th. Please let Randy, KC9MZ, know if you would like to test at [kc9mz ---arrrl.net](mailto:kc9mz---arrrl.net)

Meeting Date, Time and Location: Next month's meeting will be on September 25th at 8 PM. It will be at the Swansea Moose Lodge. The meeting will be to the left of the bar area.

New Members: New applications should be submitted to the Sgt. at Arms. Applications will be vetted by the Sgt. at Arms and will be brought forward for a vote at the next monthly meeting after being submitted. We look forward to meeting/greeting any new member because to grow our club, we must find people that love to talk (should not be too hard) and that would love to be on the radio. So, putting the two together can make a dedicated enthusiast for HAM Radio. We welcome all new and prospective members and thank them for their interest in Ham Radio.

Here are some shorts

Thank you to the City of Freeburg for providing their equipment and linemen to replace our 2-meter antenna. We wouldn't have been able to do this ourselves.

Thank you to the repeater committee for the great work on replacing the 2-meter antenna and feed line. Dale, KB9JJA is the project manager, Dan KD9ADB and Andre KD9RFE are also on the repeater refresh project. Thanks to all those who came out for the antenna party Dale KB9JJA, Dan KD9ADB, Steve K9SHY, Jeff K9STL, Gary K9RVE, Gene WA9TZL and Karl K9BGL.

The Club picnic will be September 14th at the Moose – 11am. Please let me know if you can attend so we have a count for the food.
